

HELLO

This is a very rough version of chapter 3.

pajaroskri was kind enough to translate this chapter and she even put all the speech in the bubbles to make it easier to typeset, so that is the version I am releasing for the time being.

I STILL NEED A TRANSLATOR FOR CHAPTER 4,

**and does anyone know if chapter 7
is already available?**

THANKS FOR YOUR PATIENCE,

I can't say when a nicer
version of this chapter is coming out, but for the
time being, the story is moving along....

Till next time,

If I tell him that, then he'll quickly make a reservation

Tell dad I said hi.

Ooo, I'm hanging up first.

For sure?

I know. I'll come home soon.

Tell dad that I want to eat Chinese cooking!

It's dinner time. Let's go.

Why are you curled up there?

Homabru is my roommate this year. He is a serious and good person. The dorm life is really fun

I've been living at the dorm for 3 years

As expected, moving out was certainly the right choice.

because at home, I'd start thinking about a lot of things, so I moved out.

However, at home, it's also very balanced.

(trick)

FOR HIM

Liking men and such was just me being confused.

Give it back!

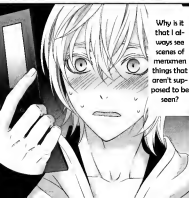

Don't just leave the phone lying about.

Ah,

it can't be that you are waiting for your girlfriend to send pictures haha

Why is it that I always see scenes of men in things that aren't supposed to be seen?

Men's P

SNS solely for men.
Without fees! Easy...

Eh?!

I won't think you are disgusting.

In my circle of friends, I have a few who are gay.

But without this method,

people like me are probably doomed to stay single forever.

... I know.

... really?

Really.

However, those web-sites aren't very safe. It's better if you don't use it.

Actually, if I had nothing else going on, I would also refuse to see you.

Uhh, about that, I happened to have other things going on at that time.

However, if Yuuta can make so many friends, I am very happy.

花神君 友伊組

Ah,

It must have gotten on there while I was eating snacks with my roommate a while ago.

Hmm? It's so sticky.

If you don't try, it won't come off.

There's something in your hair.

After we
meat, I re-
alized the
feeling
wasn't a
moment of
confusion

Because

I finally made this

completely cap-
tured

Eh?

...like
what
kind of
men?

Of course!

So he's your very important friend.

Then I must look into my group of trusted friends and choose very-carefully.

I'm really begging you!

Yuuta, how about you?

Eh?

if...

if I say it's Ryuu, then
what kind of reaction
will he have?

that easy

I wouldn't
have
moved
out.

That is
really im-

So it's
like
that.

Now, confessing
while blushing is
something I can't
do

We've acted like brothers
for 3 years already.

Dad also lost his temper saying that Yuuto doesn't love home one bit.

You're so busy, but you often ask me to go out.

After all, mom requested that I look after you often.

No, I'm too busy

Then Ryuu, are you going home?

Ah, so it's this way.

I also wish I
could play
with you
once.

This sen-
tence
absolutely
cannot

Wait

What?
?!

Oh,

you didn't even lock

Nabakima,

are you going
home?

cool me. They are

In school, no

After grad-
uation,
Kamatsu
wants to
live alone.

You guys can
have fun.

From the bottom of my heart, while I do feel great helping someone else find happiness.

After I found out that Komatsu's blind date was sensei, I was really shocked.

but one way or another, their relationship is progressing well, so that's great.

All four of us sitting together is something we haven't done in a long time.

Yuuto usually doesn't come home to visit.

You going back to your dorm today right?

But I'll

something not so

All I want
is to be
happy and

It's already
18 years old.

Letting Yuugo
know it's better to
make me worried,
so I'm going to

make a
request
to Ryuu

Even though
Yuugo is 18,
you're still
very cute!

No, that's
not old

Then I'll
rent an
apartment
for myself

Your
expenses
will
increase
though.

that this place will be
used for
other people.

there isn't anything
